A two-week consultation opened on 19th January on a proposed increase of 2.99% on SKDC's element of Council Tax. This equates to an average annual increase of £5.66 for a Band D property. If approved, the average total annual Council tax for a property in Band D for services provided by SKDC in 2026/27 would increase from £189.37 to £195.03

Wates are consulting Baston residents regarding proposed planning application on field south of Greatford road and west of A15 - 283 houses

I am very concerned about the cumulative effects of these developments and in particular the impact they will have on the already dangerous A15

2025/26 - 55 Response to Mallard Pass Solar Farm Community Benefit (CB) offer

Cllr Phil Britton has been attending parish meetings with Mallard Pass regarding the offer. A CB offer is not a legal requirement. Mallard Pass has given a final offer of £96000/ annum for the life of the solar farm. Parishes may bid each year for a share via an independent body.

Campaign took place on 17.12.25 and there were two offenders. Awaiting training date for new volunteers.

2025/26 - 57 Flood Wardens update

The river systems have coped well with very recent rainfall. The ditch at the back of Greatford Hall has been cleared. Culverts need replacing on farmland towards Baston. Reporting and removing blockages are working better. Parishioners are encouraged to keep reporting related issues via Fix My Street so issues are logged. The process of siting additional groundwater sensors is in progress (UDLive). The Hydrology Report is required to underpin further actions by the authorities so parishioners will be contacted imminently for access to properties to inform this report.

Ibis Channell had some points about traffic and said that she will raise these fully in the next meeting.

The meeting closed at 9pm

The next meeting is on 31st March and comprises the Annual Parish Meeting (annual reports) followed immediately by a Parish Council meeting. This meeting will start at an earlier time of 7:00pm (not 7:30pm as in Towers & Spires)
